小鸕鷀

是香港最小型的游禽，外貌像鴨，咀直而尖；趾膠有瓣狀碟，善於潛泳，喜捕捉水中動物；叫聲像急促的馬嘶聲；主要棲息於魚塘及小水池。

Little Grebe

It is the smallest swimming bird in Hong Kong. It looks like a duck with pointed sharp bill and lobed feet. It dives often to catch aquatic animals. Voice is a high-pitched whinny. Commonly found in fish ponds and small ponds.
