Please mark a “✓” beside the pictures of wetlands.

“Hong Kong Wetland Park -Exploring the Mangroves” Worksheet 1

(Answer)

Please mark a “✓” beside the pictures of wetlands.

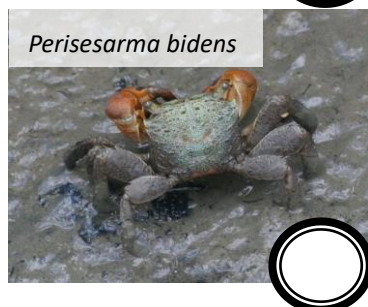

Hong Kong Wetland Park - “ Exploring the Mangroves” Worksheet 2

A. Please observe carefully the environment along the Mangrove Boardwalk and circle the most suitable answers.

- ◆ Water level: High / Mid / Low
- ◆ Number of animals: Many / Some / None
- ◆ Visibility of mangrove roots:
Clearly seen / Partly flooded / Fully flooded
- ◆ Coverage of mud:
Fully exposed / Partly exposed / Fully flooded

B. Please mark a “✓” under the pictures of the animals that you observed along the Mangrove Boardwalk.

C. Observe and describe the activities of mudskippers and fiddler crabs on the mudflat in words or picture.
