### Unlock and Complete the Learning Task in Hong Kong Wetland Park

1	Check your location on the map page
2	According to the map, visit a ‘Hot Spot’ to unlock the ‘Learning Tasks’*
3	According to the contents and instructions in the learning resources, and refer to the Exhibits in the Park, finish all questions of the ‘Hot Spot’
4	Return to the map page. Press  to enter the ‘Upload’ page Press ‘Submit Answers’ to upload your answer
5	Visit another ‘Hot Spot’ and repeat Steps 3 and 4, until you finish all ‘Learning Tasks’ in all ‘Hot Spots’
6	Check if you have finished and uploaded all answers to the ‘Learning Tasks’ of all ‘Hot Spots’. You could only exit EduVenture® X if you confirmed all answers are uploaded successfully

\* If you have arrived at the ‘Hot Spot’ but are not shown properly on the map, and could not unload the Learning Tasks, you could temporarily leave ‘EduVenture® X’. Open any Map Apps (e.g. Google Map or AMap) to re-activate the GPS of your device, then go back to ‘EduVenture® X’. If the problem still exists, please get help from your teacher or technicians.
