Nature Appreciation

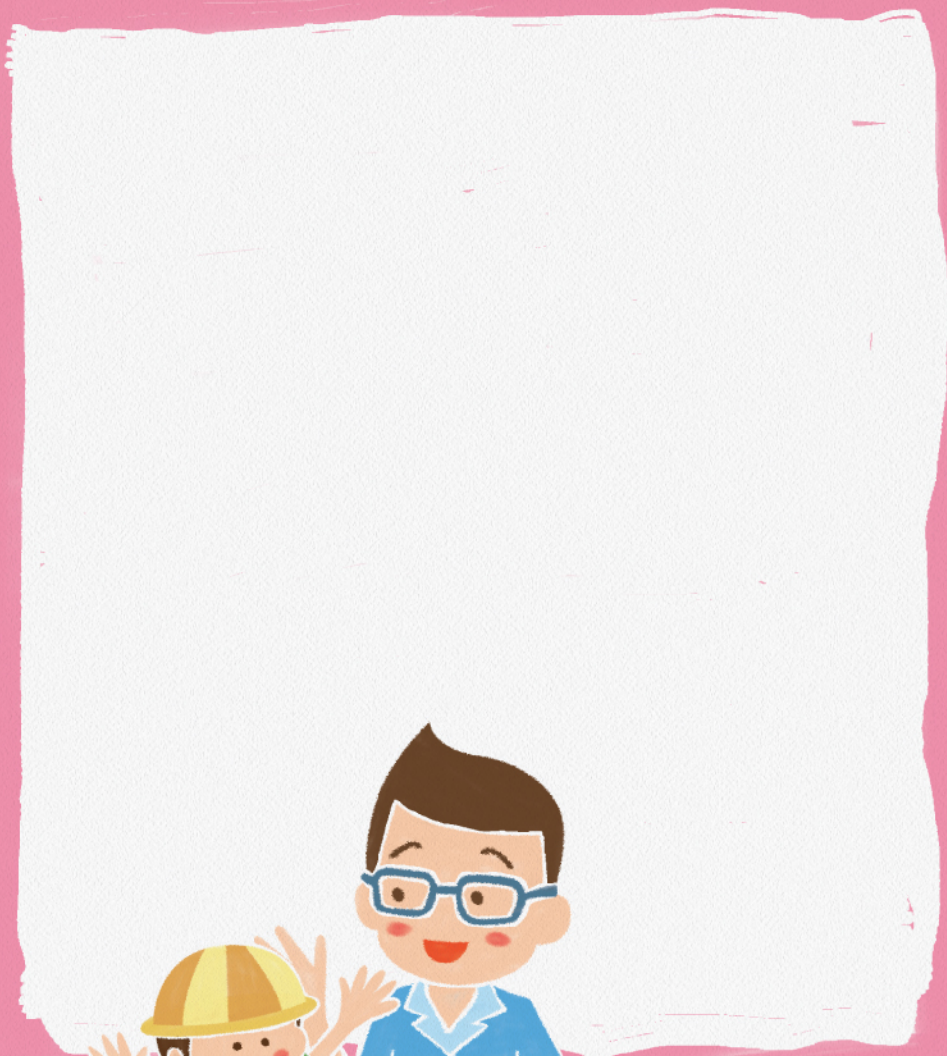

After your visit, please draw and colour your most favourite natural scenery.

Time for Sharing

Please share what you have seen and heard in the Wetland Park today.

The Areas We Explored

Life Zone

Dipping Pond

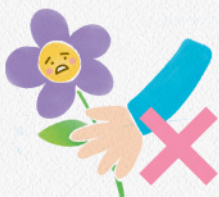

Care for nature, can you do it?

(Please circle your class level)

I'm a **K1** **K2** **K3** student

(Teacher, please read aloud the sentences for children to circle what they can do.)

Don't pick plants

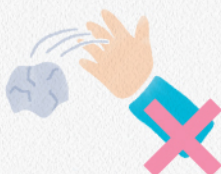

Don't pull plants

Don't take away
any stone, flower,
leaf and small animal
from nature

Don't disturb animals

Don't litter

Keep quiet

Save water

Don't pollute
water

Don't catch
insects

Goodbye, children!
